FLIP
A gravure photo book?! So you also buy these, Wei~
What? My second oldest sister bought that book in an exhibit in France!
IT'S FRENCH, HUH "LA PERLE?" XIAO YI YOU UNDERSTAND FRENCH. WHAT DOES THIS MEAN?

WHAT KIND OF PHOTO-BOOK IS IT? THE NAME "PEARL" SOUNDS NICE...
THERE'S ALSO A BUTTERFLY - IT LOOKS LIKE A PHOTOGRAPHY COLLECTION THE CONTENTS SEEM MORE LIKE AN IDOL PHOTOBOOK THOUGH...
Huh? A Butterfly Pearl?
"La perle" means pearl! It's pronounced, "puhr-let"
And it's in French?!
THE COVER IS COMPLETELY BLACK, DECO-RATED WITH A PEARL CRISS-CROSS AND A BUTTERFLY IN THE CENTER...
IT LOOKS LIKE THE BUTTERFLY IS CAPTURED... SO SYMBOLIC!
ON THE INSIDE...

WEL, IT THE EXHIBIT DID YOU'D SECOND SISTER EVER ASK WHICH COUNTRY THIS ASIAN GIRL C-ME FROM?
THE BLACK AND WHITE COLORS CONTRAST WELL! IT'S REALLY EYE-CATCHING!
BUT THE MOST INTERESTING PART IS THAT THESE FRENCH COMMERCIAL PHOTOGRAPHS EMPHASIZE THIS LITTLE ASIAN GIRL...
THE PHOTOGRAPHER REFUSED REQUESTS TO PRINT MORE COPIES.
SHE DID! BUT THAT PHOTOGRAPHER REFUSED TO REVEAL IT.
SHE SAID JUST BEING ABLE TO BUY THE BOOK WAS A GREAT DEAL
AT THE EXHIBIT ONLY 300 COPIES WERE PRINTED THIS MADE IT SUCH A SENSATION THAT THE AFTER MARKET PRICESWENT THROUGH THE ROOF
IT'S AN ARTISTIC COLLECTION OF PHOTOGRAPHS OF AN ASIAN GIRL WHO'S ABOUT TEN YEARS OLD...

SHE LOOKS LIKE YOU, XIAO YI!
CLACK!
H- HOW IS THAT POS- SIBLE?!
HUH? WHEN YOU LOOK AT HER LIKE THIS THEY REALLY DO LOOK ALIKE!
I'VE NEVER HAD THIS KIND OF PHOTOGRAPH TAKEN!
I MEANT THAT...
WHEN YOU WERE LITTLE YOU MUST HAVE LOOKED SIMILAR TO THIS LITTLE GIRL!
OH... OUR MANNERISMS ARE PROBA- BLY JUST SIMILAR...
THERE ARE ALSO A LOT OF ASIANS WHO LIVE IN FRANCE...

PHEW...
La perle...
"Pearl"
The subject inside is actually me... A photo book of my 10 year old self...
How could I admit that in front of them?
Back when they took those photos I thought it was a game. Never thought I'd become the subject...

Long, raven-black hair was what that person loved most

WAH!
Hey, do you guys want to change first?
LATER. THE OUTFITS AREN'T CO-ORDINATED YET!

IN THE FIRST YEAR OF HIGH SCHOOL, WE FOCUS ON THEORY...
MMHMM! COLOR COORDINATING IS VERY IMPORTANT
NOW YOU'RE LEARNING HOW TO CO-ORDINATE STYLES?
BUT AS AN ASSISTANT I CAN LEARN ABOUT CO-ORDINATING STYLES AND MAKEUP ON THE SIDE...
THOSE ARE CONSIDERED A COURSE IN CLOTHING DESIGN. BUT DOING THIS FIRSTHAND IS ACTUALLY QUICKER THAN READING BOOKS
DESIGNING IS MOSTLY REFERENCING AND EXPERIMENTING
YES! TOTALLY!
THE MORE YOU LEARN, THE BETTER
THIS TYPE OF LEARNING SURE IS FUN, HUH~
BUMP
BUMP

Terrible...
what is this gloating feeling...
Sheng- you will cherish someone...
HEY! THE MAKEUP ARTIST ISN'T COMING UNTIL LATER, SO SHE SAID I COULD TRY DOING THE MAKEUP FIRST!
WHICH ONE OF YOU GUYS IS WILLING TO LET ME TRY?
Hmm Sheng Ye, what's the matter
OKAY! SHENG YE, YOU SIT! IF YOU'RE TOO TALL, I WON'T BE ABLE TO PUT MAKE UP ON YOU.
Hmph! You don't need to looking so scare! So ferocious!
Better stall her until the makeup artist comes!
SHENG YE FIRST!!!

ARE YOU LOOKING AT ME?
Then I go from the inside
and push out-wards.
First liquid foundation
Next
I'M LOOKING AT YOU
YOU'RE NOT LOOKING AT ME!
I WAS DEFINITELY LOOKING AT YOU!
YOU DEFINITELY WEREN'T LOOKING AT ME!
HOW COULD I DO MAKEUP WITHOUT LOOKING AT YOU?!
YOU WERE LOOKING AT ME LIKE A PRODUCT!
Seriously?
THEN HOW DO YOU WANT ME TO LOOK AT YOU?
LOVINGLY
Lovingly?! Can't believe he can even say that!!!
OR ELSE I'M NOT LETTING YOU DO MY MAKEUP!

OR YOU CAN SAY, "I LIKE YOU!"
HEY!!!
Didn't you say yourself that it I didn't have to...
ARE YOU GOING TO SAY IT OR NOT?!
IF YOU DON'T WANT TO, THEN WHAT-EVER!
Not letting you do my makeup!
OH!
He's like a little kid throwing a fit demanding to eat candy
But he's such a big kid
Strange Why is Sheng Ye being so weird
BA-DUMP

So cute! It's the first time
he's acting so honest in front of me
Even if he doesn't show it For him to change like this I'm really
I'm really happy!
You've found something that you want to cherish

I LIKE YOU, SHENG YE!
Something I'll want to cherish
YOUR HEART IS... BEATING SO FAST

Copic Marker,
Oil Marker,
Flat Brush,
Fine Liner Brush,
Black Pen

APPLYING BLACK LINES CAN BE DIVIDED INTO TWO STYLES-- A REALISTIFUL ARTISTIC STYLE AND A CONVENIENT STYLE

Fill it in strokes by stroke like this. follow the strokes from down to up or whatever direction you're comfortable with

Dragon Pearl Boy

In manga, the characters move around, so black hair layers can be drawn freely. There's no need to rigidly stick to where the light source should be.

How do you draw black hair? where should you draw the reflection of light for layering effect?

Applying black pens can first use an oilmarker or a fine point drawing pen to outline the character

Black pen use to layer hair or color black. It'll blurr if it's too watery, so try a few pen brands or you can try changing the ink tube

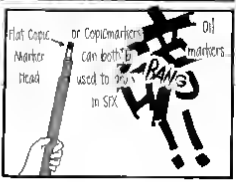
Finish or brush. Dip in black ink and draw softly around the white where the light reflection on the hair will be. This shouldn't result in rough edges

So then when coloring in black you can use Chinese black ink instead and it'll still turn out beautiful and clean (Same after printing. It'll give off a pure clean feeling.)

When using an oilmarker to color in black on draft paper the color will bleed through the back! (Drawing the draft using a computer won't create this problem!)

IT DOESN'T MATTER WHAT TYPE OF PEN YOU HOLD, YOU'LL ONLY GET USED TO IT BY USING IT FOR A LONG TIME

These markers and pens should be available at most art supply stores!



Using a Copicmarker or an oil-marker to color it in is fine too

(Saves energy and it's elegant)

For a big picture you can just use a flat brush dipped in ink to color it all

Heatwave Diary/ Catchphrase

YOU LISTENED AND IT'S STILL LIKE THIS?! YOU PIGHEAD!
I DID!!!
I ALREADY SAID THIS SO MANY TIMES DID YOU LISTEN AT ALL?!
When Jun Jie gets angry, he never fails to add the word "pighead."

Didn't hear anything except the word "pighead"
Scratch
Scratch
I can't believe him! I'm already fed up with hearing it and he doesn't change his vocabulary!
That word really suits you~
